

New Product Introduction

2025 NPI September

LNQ

Empowering Tech. Protecting Tomorrow.

Empower through technology, protecting the future.

We design technologically advanced products that extend device lifespans, using sustainable materials when possible and ensuring long lasting future compatibility.

Inhouse brand- & engineering studio

4 strong A-brands with private label options & premium marketing support.

Warehouse & eFulfillment center

Enhancing online sales and (drop)shipping from our warehouse in The Netherlands.

Active in over 60 countries worldwide

Supported by 65+ employees and 10 nationalities since 2008.

Innovation as a succes driver

First to market & trend-based assortment with under 6 months development cycles.

Can we tag you?

Protecting Tomorrow

Sustainable Technology

We are committed to sustainability. Our products are built to last to fight the replacement market. We use FSC-paper packaging, GRS Plastics, recycled aluminium and other re/up-cycled materials to lower impact on raw materials. We reduce our CO₂ impact in transport by using sea freight and offsetting a part of our CO₂ emission.

“Electronic Accessories will never grow on trees, but we do everything we can to minimise impact.”

Higher quality =
Lower impact

Recycled

THE NO.1 POWER BRAND

#MoreEnergy.
Technologically advanced.
Safety Checked.

Powering people while they are on the go is what we do best. Whether you're climbing mountains or simply commuting to work, our Dutch Design & Award Winning power products make sure you never run out of power.

In 2008, Xtorm began as a supplier of solar charging products. Over the years Xtorm has become an indisputable player in the field of durable power products for mobile devices.

XTORM GO2 OVERVIEW

NEW Q1 '26

POWER BANK 40.000 XG2401

- 40.000mAh capacity
- Up to 10x phone charges
- 45W Xtorm SuperCharge+
- Made with Recycled plastics
- Digital Battery Level indicator

25/33W SLIMLINE CHARGER XG2SL025 / 33

- Up to 33W Xtorm SuperCharge+
- Made with Recycled plastics
- Only 15mm

CHARGING CABLES CXG20xx

- Braided cable
- 1M length

NEW

POWER SHOT 5.000 XG2PS051

- 20W Xtorm SuperCharge
- Made with Recycled plastics
- 5.000mAh A-class battery

NEW

MAGNETIC POWER BANK XG2WP051

- Strong Magnets
- Made with Recycled plastics
- Xtorm MagChargePro 7.5W
- Only 12.3mm thin

POWER BANK 5.000 XG205x

- 5.000mAh A-Class batteries
- Made with Recycled plastics
- Ultra compact

POWER BANK 10.000 XG210x

- 10.000mAh A-Class batteries
- Made with Recycled plastics
- 15W Xtorm FastCharge

POWER BANK 20.000 XG220x

- 20.000mAh A-Class batteries
- Made with Recycled plastics
- 15W Xtorm FastCharge

POWER BANK + SOLAR + LIGHT XG2S101

- 15W Xtorm FastCharge
- Back-up Solar Panel
- Made with Recycled plastics
- Built-in Flashlight
- Carabiner

Gecko Covers®
Durable Nature Covers

Silky smooth feeling
Made with Apple-Peel

Gecko Quality Gecko Functions Gecko Vegan Leather

This advertisement features a teal background with several red apples. A teal Gecko cover is shown in its stand position, with another cover lying flat in front of it. The text 'Gecko Covers® Durable Nature Covers' is prominently displayed in white. Below the main text are three icons: a shield for 'Gecko Quality', a protractor for 'Gecko Functions', and a leaf for 'Gecko Vegan Leather'. A small logo in the bottom left corner says 'Silky smooth feeling Made with Apple-Peel'.

Gecko Quality

All-round Daily Protection
for your device

Including cut-outs for buttons, ports and camera

This advertisement has a dark teal background. It shows a smartphone in a dark cover, the back of a silver iPhone with a dark cover, and another dark cover. The text 'All-round Daily Protection for your device' is written in white, with 'Protection' in a larger font. Below it, it says 'Including cut-outs for buttons, ports and camera'. The 'Gecko Quality' logo is in the bottom left.

All-round Daily **Protection** for your device

Including cut-outs for buttons, ports and camera

Gecko Quality

This advertisement features a close-up of a red apple. The text 'All-round Daily Protection for your device' is in white, with 'Protection' in green. Below it, it says 'Including cut-outs for buttons, ports and camera'. The 'Gecko Quality' logo is in the bottom left.

Ideal viewing angle & more productivity

3 Stand Functions

This advertisement shows a tablet in a dark cover, demonstrating its stand functionality. The text 'Ideal viewing angle & more productivity' is in green. Below the image, it says '3 Stand Functions' with a green protractor icon.

Soft inner layer to prevent scratches on your screen

Auto Stand-by function

This advertisement shows a tablet in a dark cover with a soft inner layer. The text 'Soft inner layer to prevent scratches on your screen' is in green. Below the image, it says 'Auto Stand-by function' with a green sun and moon icon.

Vegan Leather

Silky Smooth feeling
Made with Apple-Peel

of course without the sticky juice. :)

This advertisement features a light blue Gecko cover. The text 'Vegan Leather' is at the top. Below it, 'Silky Smooth feeling' is in green, followed by 'Made with Apple-Peel'. A small note says 'of course without the sticky juice. :)'. The 'Apple-Peel' logo is in the bottom left.

Silky smooth feeling
Made with Apple-Peel

Protect your device and tomorrow.

This advertisement shows a close-up of red apples. The text 'Protect your device and tomorrow.' is in white. Above it, the 'Apple-Peel' logo is visible.
